**Academic Planning Worksheet for Speech and Hearing Sciences**

This worksheet is designed to help you learn about and plan for admission to your intended major and University general education requirements. As progress toward your intended major is a factor in transfer admission review, this information is also a part of the transfer admission application. More info: admit.washington.edu

**1. The Major**

**Major Profile**
In the admission decision for this and every major, a wide range of factors are taken into consideration. The profile should not be used to overstate the importance of grades in the admission decision for academic majors but it may offer some guidance as you plan for transfer.

2. **General Education & Basic Skills Requirements** for the College of Arts and Sciences

This major is in the College of Arts and Sciences, and these are requirements for *graduation from that college*. You'll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education or basic skills requirements so it is in your best interest to work these into your schedule before you transfer. More info: [http://www.washington.edu/uaa/advising/degreeplanning/gereqs.php](http://www.washington.edu/uaa/advising/degreeplanning/gereqs.php)

**Directions:** Record the courses you *have taken, are taking, or plan to take* prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

*English Composition C, 5 credits*  

*Additional Writing W, 10 credits*

*Quantitative & Symbolic Reasoning QSR, 5 credits*

*Foreign Language, first-year college level, third-year high school level, or equivalent*

*Areas of Knowledge AoK - To graduate, students complete 75 credits among the three areas listed below. It is not necessary or even recommended to complete the entire AoK before transferring. It is just as important to work on prerequisites for your major. Students entering the University of Washington must also meet a Diversity requirement. These credits simultaneously satisfy other Area of Knowledge requirements and do not add to the total number of credits you need to graduate.
