University of Washington - Seattle Academic Planning Worksheet for Biochemistry

This worksheet is designed to help you learn about and plan for admission to your intended major and University general education requirements. As progress toward your intended major is a factor in transfer admission review, this information is also a part of the transfer admission application. Visit admit.washington.edu for more information.

1. The Major

Major Profile

In the admission decision for this and every major, a wide range of factors are taken into consideration. The profile should not be used to overstate the importance of grades in the admission decision for academic majors. However, it may offer some guidance as you plan for transfer.

One physics lab strongly recommended

TIP: To find courses at your community college equivalent to the prerequisites listed, use the Equivalency Guide for Washington Community & Technical Colleges, admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide. In order to compare course titles and descriptions from your current school to those offered at the UW, visit www.washington.edu/students/crscat.

2. General Education & Basic Skills Requirements for the College of Arts and Sciences

This major is in the College of Arts and Sciences, and these are requirements for *graduation from that college*. You'll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education or basic skills requirements; therefore, it's to your advantage to work some of the requirements listed below into your schedule before you transfer. *More info:* www.washington.edu/students/ugrad/advising/ged/

Directions: Record the courses you **have taken, are taking, or plan to take** prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

General Education Requirements

UW Course	Dept. Prefix & Number	Term/Year	Credits	Grade, In Progress (IP) or Projected (P)	College
Example: MATH 124	MATH 124	AUT 03	5	3.2	BCC
<i>English Composition C</i> , 5 credits					
<i>Additional Writing W</i> , 10 credits					
<i>Quantitative & Symbolic Reasoning QSR</i> , 5 credits					
<i>Foreign Language</i> , first-year college level					

Areas of Knowledge AoK - To graduate, students complete 75 credits among the three areas listed below. *It is not necessary or even recommended to complete the entire AoK before transferring.* It is just as important to work on prerequisites for your major.
