University of Washington - Seattle Academic Planning Worksheet for Biology

This worksheet is designed to help you learn about and plan for admission to your intended major and University general education requirements. As *progress toward your intended major is a factor in transfer admission review*, this information is also a part of the transfer admission application. Visit admit.washington.edu for more information.

1. The Major

Major Profile

In the admission decision for this and every major, a wide range of factors are taken into consideration. The profile should not be used to overstate the importance of grades in the admission decision for academic majors. However, it may offer some guidance as you plan for transfer.

2. General Education & Basic Skills Requirements for the College of Arts and Sciences

This major is in the College of Arts and Sciences, and these are requirements for *graduation from that college*. You'll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education or basic skills requirements; therefore, it's to your advantage to work some of the requirements listed below into your schedule before you transfer. *More info:* <http://www.washington.edu/uaa/gateway/advising/degreeplanning/oasudr.php>

Directions: Record the courses you **have taken, are taking, or plan to take** prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

General Education Requirements

| UW Course | Dept. Prefix & Number | Term/Year | Credits | Grade, In Progress (IP) or Projected (P) | College |
|--|-----------------------|-----------|---------|--|---------|
| Example: MATH 124 | MATH 124 | AUT 03 | 5 | 3.2 | BCC |
