2. Preference is given to applicants who have successfully completed lower-division prerequisite requirements. Admission decisions are based on an applicant's academic performance and potential, extent and quality of relevant experience, apparent attitude, and personal motivation. Completion of prerequisite requirements does not guarantee admission.
3. Departmental application deadline: April 1, for the following autumn quarter. Selection for acceptance into the program, which begins autumn quarter, is made by early May, and all applicants are notified of the admission committee's decision shortly thereafter. Because each application is valid only once, a student whose application for admission is denied must reapply if consideration is desired in any subsequent year.

TIP: To find courses at your community college equivalent to the prerequisites listed, use the Equivalency Guide for Washington Community & Technical Colleges, admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide. In order to compare course titles and descriptions from your current school to those offered at the UW, visit www.washington.edu/students/crscat.

2. General Education & Basic Skills Requirements for the College of Architecture and Urban Planning

This major is in the College of Architecture and Urban Planning, and these are requirements for *graduation from that college*. You'll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education or basic skills requirements; therefore, it's to your advantage to work some of the requirements listed below into your schedule before you transfer. *More info:* <http://www.washington.edu/uaa/gateway/advising/degreeplanning/oasudr.php>

Directions: Record the courses you **have taken, are taking, or plan to take** prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.
